RE: Extension to file a Writ of Certiorari

Dear Justice Ginsberg,

Currently I am a pro se litigant who is still seeking counsel to represent me in this Court.  
I respectfully request an extension to file a Writ of Certiorari which comes from a denial dated December 11, 2018 for leave to appeal to the NY Court of Appeals.

If it pleases the court I am asking for as much of an extension as the court will permit as I continue to locate an attorney and in the alternative prepare to move forward as a pro se litigant.

Respectfully,

Frank Golio, Jr.
